For young goalies and parents, the most important thing when replacing a mask is that the shape and size match the existing mask. That's exactly where this grille comes in: It's designed to fit the F1 Square Bar and, in the YT size, is tailored for youth players. This ensures the equipment remains consistent, which makes daily training and ongoing maintenance of goalie gear much easier. A clearly designated replacement option is also helpful for clubs or teams that maintain existing WARRIOR masks.

Before making your selection, briefly check whether the existing mask is indeed a WARRIOR F1 Square Bar in size YT.
