- Material: Acrylic
- Fit: One size fits most
- Construction: Cuffed brim for a classic fit
- Team Reference: San Jose Sharks Authentic Pro Design

Especially for hockey fans, club activities, and the trip to the arena, having gear that's easily accessible and reliably keeps you warm is often essential. The acrylic material is comfortable to wear and makes the beanie easy to care for in everyday situations—whether you're training, attending a game, or heading to the ice rink outdoors. The folded cuff gives the beanie a classic, clean fit, while the Authentic Pro Design clearly shows your team affiliation without being too flashy.

The one-size-fits-all design accommodates a wide range of head sizes. If you prefer a very snug or very loose fit, it's worth checking your usual hat size.
