In everyday hockey life, it's often the simple pieces of gear that get used regularly. The acrylic material keeps your head pleasantly warm and remains comfortable even when you're in a hurry before or after getting on the ice. The folded brim gives the hat its classic shape and ensures a secure, everyday-friendly fit. This makes it ideal not only for the trip to the stadium or arena, but also for anyone who wants to visibly incorporate their Washington Capitals into their wardrobe off the ice.

The one-size-fits-all design accommodates a wide range of head sizes.
