In hockey, in particular, equipment often includes more than just what's worn on the ice. A cap like this is perfect for players, coaches, or fans who want to show their team pride on the way to practice or on game day. The cotton is comfortable to wear, while the adjustable snapback closure easily adapts the fit to different head shapes. The flat brim gives the cap its distinctive pro look, inspired by professional-level gear.

Thanks to its "one size fits most" design, the cap is suitable for a wide range of head sizes; therefore, the most important factor when choosing one is finding the right fit.
