Product information

The CCM RBZ 90 SR is a senior-level goalie skate designed to meet the demands of goalkeeping, where quick lateral movements, a stable stance, and a reliable fit are crucial. Available in skate size 11.5, width D, and black, this model is designed for goalies who are looking for a straightforward, performance-oriented design without unnecessary frills.

- Product Type: Ice hockey goalie skate
- Model: RBZ 90 SR
- Age Group: Senior
- Size: Skate Size 11.5
- Fit: D, Regular
- Color: black
- IntendedUse: Goalies in practice and games

In goal, it's not just about stability—it's also about a sense of freedom of movement that remains controlled during tight maneuvers in front of the post or during lateral slides. A senior model like this is ideal for goalies who are regularly on the ice and look for a good balance between foot stability and mobility in their equipment. The Regular fit in D is a common choice for feet of average width.

When selecting skates for goalies, it's worth taking a close look at length and width to ensure the boot fits snugly in the heel area and doesn't put unnecessary pressure on the forefoot.
