BLUE SPORTS REPLACEMENT PART FOR BLU HOCKEY MASK HEADSTRAP (2-PACK, BLACK) is a compatible replacement part for hockey masks when a headstrap needs to be replaced after extensive use in practice or games. Small wear-and-tear parts are especially important for goalie gear to ensure the mask fits properly and remains reliable for everyday use.

- Product Type: Headband for mask
- Application: Replacement part for hockey goalie masks
- Color: black
- Package Contents: 2 pieces
- Function: Replacement for an existing head strap

Product information

A fresh headband helps keep the mask in good condition during daily use. This is especially useful in club settings, where equipment is regularly worn, transported, and maintained. The black version offers a simple design that matches standard goalie gear. With two pieces in the set, you'll always have a spare on hand—which is practical during the season or during regular training.

Before installation, briefly check that the shape and attachment fit the existing mask.
