2 in stock

Goalkeeper color: black

Goalkeeper size: JR

The CCM HALTER KP BELT is a knee pad strap for goalies in junior sizes. A securely fitting knee pad is especially important during practice and games to ensure that the equipment stays firmly in place even with frequent movements in the goal. The black design blends discreetly into the goalie's gear.

- Product Type: Knee pad strap for goalies
- Intended use: Securing goalie knee pads

Product information

- Age group: Junior
- Size: JR
- Color: black
- Package Contents: 1 Knee Pad Strap

A strap like this is one of the small but important pieces of goalie equipment. When knee pads fit securely, the focus remains on movement in the goal and the next play rather than on readjusting the equipment. Especially in youth sports, where equipment is often used regularly, having a suitable replacement strap or a clean addition to existing gear makes sense.

It's crucial that the strap is properly matched to the existing knee pads and the junior size of the equipment.
