top close to the body without unnecessarily restricting movement.

- Product Type: 1/4 Zip Fleece Hoody
- Material: 100% polyester fleece
- Fabric weight: 280 g/m²
- Fit: athletic cut
- Function: quick-drying
- Logo: TRUE logo in silicone, silver reflective detail
- Color: charcoal/black
- Size: SR, M

A midlayer like this one is especially practical for club players and coaches when there's no time for a full change of clothes between ice time, the locker room, and the trip home. The 280 g/m² polyester fleece provides comfortable warmth without feeling unnecessarily heavy and dries quickly after intense workouts or short trips through wet conditions. The 1/4-zip makes it easy to put on and take off and helps regulate body temperature by opening or closing the zipper slightly depending on activity level.

Due to its athletic cut, the SR M size fits fairly close to the body. If you'd like more room for protective gear or a looser layer underneath, you should take the fit into account accordingly.
