Especially for referees, it's important to have pants that easily accommodate the typical movements of the game. Whether sprinting, making quick changes in direction, or during long shifts, referee pants remain an essential part of the equipment because they combine functionality with a uniform appearance. This CCM model is ideal for clubs, referees in regular service, and anyone who deliberately chooses a hockey-specific brand-name product for their equipment.

When selecting a size, the senior size L is key to ensuring the pants fit well in combination with the rest of the referee's gear.
