Brand: WARRIOR
Textile size-1: SR
Textile size: XL

Product information

The WARRIOR SHIRT L/S COMP is a long-sleeved performance shirt designed for hockey practice and games when a snug, flexible base layer is needed under your gear. Available in blue and sizes SR / XL, it fits close to the body and remains pleasantly lightweight even during intense training sessions.

- Technology: WarTech Moisture-Wicking System
- Training Benefits: Helps keep you dry and comfortable
- Material: 86% polyester, 14% spandex
- Fit: form-fitting
- Construction: mesh fabric
- Product Type: Long-sleeve performance shirt for hockey
- Size: SR / XL
- Color: blue

The snug fit is particularly useful for club players who train regularly and are looking for a clean base layer to wear under shoulder pads or a jersey. The stretchy material hugs the body without unnecessarily restricting movement, while the mesh fabric enhances breathability. The WarTech System helps wick moisture away from the body, which is especially noticeable during intense sessions on the ice or in the arena.

Because of the form-fitting cut, it's worth taking a quick look at the desired fit, especially if the shirt is to be worn snugly under protective gear.
