The WARRIOR ZIP HOODY Alpha X Aspire is a hockey hoodie that's especially useful for training, travel, and the locker room. The gray version in size S is designed for senior players who are looking for a simple top that's quick to slip on and prefer a sporty fit.

- Product Type: Zip hoodie with full-length zipper
- Intended use: Hockey practice, warm-ups, traveling to the arena or rink
- Fit: Senior cut in size SR, shown here in S
- Closure: Front zipper for quick on-and-off
- Hood: Classic hoodie style
- Color: gray

In everyday hockey life, clothing that works without any hassle is especially important. A zip hoodie is particularly practical for this because the jacket can be quickly adjusted before practice or after cooling down. The senior sizing works well for adult players and club athletes who don't want to constantly change clothes between the locker room, the arena, and everyday life. The Alpha X Aspire line has a distinctly athletic look without being too flashy in a team setting.

When selecting a size, the combination of SR and S is key to ensuring the jacket fits comfortably during everyday hockey activities and can be worn over training gear.
