- Details: Right-side chest pocket and printed logo
- Color: gray
- Size: SR, XXXL

A shirt like this is especially appealing for club players and teams who don't want to constantly switch between their gym clothes, practice gear, and casual wear. The fabric combines a soft feel against the skin with easy-care properties thanks to its polyester content. The right-side chest pocket adds a subtle touch without detracting from the shirt's clean, athletic look. In gray, the shirt pairs effortlessly with training pants, team uniforms, or casual wear.

The athletic fit is form-fitting. For greater freedom of movement, choosing a size that's slightly larger may be a good idea.
