The WARRIOR RED BEANIE is a simple hockey beanie for cold walks to the arena, for team practice in the winter, or for quiet moments off the ice. The red color makes a bold statement, while the beanie style keeps things simple for everyday sports use and is easy to stow away.

- Product Type: Beanie for hockey and leisure
- Brand: WARRIOR
- Model: Beanie SCW
- Color: red
- Size: SR
- Usage: Before and after practice, on the way to the rink, during everyday club activities

In hockey, in particular, warm headwear is often simply part of the gear, especially during early-morning or late-evening practice sessions in and around the arena. This WARRIOR beanie is a great fit for adults and older youth players looking for a simple addition to their gloves and team gear for cooler days. The classic shape has a sporty look while being suitable for everyday wear, without making your gear unnecessarily complicated.

For size Groß, it's worth checking the desired fit, depending on whether you prefer the beanie to sit snugly against your head or more loosely.
