Product information

- Construction: knitted design with soft inner lining
- Logo: Großes embroidered 3D W logo
- Uses: Hockey, training, leisure, and travel

For club players and youth teams in particular, a hat like this is often more than just an accessory. The knitted outer material keeps you comfortably warm on cool days, while the polyester lining makes it feel a bit softer against your head. Add to that the classic pom-pom look, which is just as appropriate on the way to practice as it is on the players' bench in the arena. The large embroidered 3D W logo clearly showcases the brand without making the hat look cluttered.
