Product information

Textile dye: black
Brand: WARRIOR
Textile size-1: SR
Textile size: XXL

The WARRIOR Alpha Thermo Jacket in black, sizes SR / XXL, is designed for players, coaches, and everyday club use when reliable warmth is needed before or after ice practice. The loose fit provides room over team uniforms, while the water-repellent outer material and extra lining keep you comfortably dry and warm on cold days on the way to the rink or while at the boards.

- Product Type: Thermal jacket for hockey and winter use
- Fit: loose cut for comfortable wear over sportswear
- Material: Outer shell, inner material, and lining made of 100% polyester
- Weather protection: water-repellent outer material with extra lining
- Pockets: 2 side pockets with zippers and 1 inside chest pocket
- Visibility: Reflective logos and details
- Color: black
- Size: SR / XXL

In hockey, in particular, the clothing you wear during training is just as important as the equipment on the ice. This jacket is designed for cold conditions and is loose-fitting enough to allow full range of motion while changing, warming up, or walking from the locker room to the ice. The zippered pockets keep small items securely stowed away, and the inner chest pocket provides extra space for things you want to keep within easy reach.

The loose fit is intentionally comfortable and works well when the jacket is worn over multiple layers.
