Product information

WARRIOR ALPHA THERMO BLACK SR PANTS are designed for cold days on the ice. These lined pants keep you comfortably warm during ice practice, on the way to the locker room, or during longer breaks, without restricting the loose fit. Available in black and size SR S, they pair well with functional team or practice gear.

- Product Type: Lined Winter Hockey Pants
- Material: Outer fabric, inner fabric, and lining made of 100% polyester
- Weatherprotection: water-repellent outer fabric
- Fit: loose cut for comfortable wear
- Closure: elastic waistband with drawstring
- Details: Zippers at the outer ankles
- Pockets: 2 zippered side pockets and 1 inside chest pocket
- Visibility: reflective logos and details

The benefits of these pants become immediately apparent in everyday club activities: The water-repellent material protects in wet conditions, while the additional lining helps retain heat. The zippers at the leg openings make it easy to put the pants on and take them off over other gear, and the elastic waistband with drawstring ensures a secure fit. The closable side pockets are also practical for keeping small items from lying loose in the locker room.

The loose fit is intentionally comfortable and designed to be worn over technical clothing.
