The WARRIOR Covert Stadium Navy SR Jacket in size L is a warm team and practice jacket for everyday hockey life off the ice. Whether you're on your way to the arena, on the bench, or between practice sessions, you need clothing that keeps you warm without quickly becoming uncomfortable. That's exactly where the combination of Wartech technology and eco2sy insulation comes in.

- Technology: Wartech for retaining body heat and wicking away sweat and moisture
- Insulation: eco2sy thermal insulation made from recycled materials
- Material: Outer shell, inner material, and lining made of 100% polyester
- Construction: Front opening with zipper and two side pockets with zippers
- Design: Color-blocked sleeve, shoulder, and hood elements
- Details: Tone-on-tone W logo on the lower back, printed logos
- Size: Senior, L
- Color: Navy

In club activities, a jacket like this is especially useful when you're constantly switching between exercise and rest breaks. The polyester fabric is easy to care for, while the insulation provides extra warmth. At the same time, Wartech helps wick moisture away from the body, making the jacket comfortable to wear even after a warm-up or when leaving the locker room. The zippered pockets are handy for small items that need to stay within easy reach.

The recommended size here is Senior size L.
