Product information

- Product Type: Cooler Bag
- Uses: Hockey, practice, game day, and tournaments
- Volume: 15 L
- Color: black
- Construction: Compact bag with insulated interior
- Transport: Suitable for carrying food and drinks on the go

Especially on long days at the arena or during back-to-back games, a separate cooler bag is often more practical than stuffing everything into a large equipment bag. The 15-liter size is easy to organize and provides enough space for the essentials without taking up unnecessary room. This makes this model particularly suitable for regular club activities, as well as for coaches' benches, youth teams, or trips to away games.

If you're looking for a compact cooler bag and don't want to carry a lot of extra luggage, this size is usually the right choice.
