- Usage: Training, game days, and transporting equipment
- CarryingConcept: Carry bag for transporting basic equipment

In everyday hockey life, it's often crucial to pack up your gear quickly and have it ready to go just as fast. That's exactly where the Core Carry comes in: as a classic bag for clothing, protective gear, and accessories, designed to make the trip to the rink or the locker room reliable and hassle-free. For players in regular training or for teams that prefer a straightforward bag option, the focus remains on the essentials.

When choosing a bag, the most important factor is the size you need: SR is designed for adults.
