In everyday hockey life, what matters most is being able to pack your clothes, shoes, and other gear without any hassle. This is exactly where the True EB Coach bag comes in handy: Its size offers noticeably more space than a small sports bag, yet it remains easy to handle on the way to the arena, in the locker room, or on road trips. The navy/white color combination has a classic look and fits well with many team environments.

Especially for regular practice or club activities, a 65-liter capacity is often a practical size—provided you don't need to transport your entire goalie gear.
