## Product information

---

Pocket volume: 215l  
Bag color: royal/yellow  
Brand: WARRIOR

The WARRIOR Q20 SR/JR bag is designed for everyday hockey use with plenty of gear. With a 215-liter capacity, a wheeled base, and a pull handle, it's especially well-suited for players and teams who regularly move equipment between the locker room, the arena, and the bus. In royal blue and yellow, the bag remains clearly recognizable as a team and equipment bag.

- Material: 600D ripstop polyester with 420D reinforcements on the bottom
- Construction: abrasion-resistant reinforced corners and sturdy wheeled base
- Opening: U-shaped opening for quick access
- Compartments: External skate compartment, mesh inner pockets, and a zippered inner pocket for valuables
- Carrying: Wide shoulder straps, additional carrying handles, and a pull handle
- Ventilation: Plastic ventilation eyelets
- Details: Warrior graphic on the inside and external ID window
- Dimensions: 94 x 44 x 51 cm

Especially for club use, it's not just about storage space—it's also about a bag that can withstand constant contact with the ground, edges, and wet gear. The reinforced bottom and protected corners help with daily use. Thanks to the large opening, your gear isn't tucked away deep inside, and separate compartments keep small items, skates, and personal belongings better organized.

The bag is generously sized and is particularly well-suited for extensive hockey gear in SR or JR setups.
