Color: white

BLUE SPORTS DAM Women's Blade Guards with Plastic Strap are a practical addition to your hockey gear for protecting blades when transporting them off the ice or moving them around the locker room. The white version is designed for women's use and features a plastic strap that securely holds the protector in place on the skate.

Product information

- Product Type: Blade guards for women's skates
- Closure: with plastic strap
- IntendedUse: Protecting blades off the ice
- Usage: Quick to attach and remove
- Variant: Women's
- Color: white

Especially during daily training, on the way from the locker room to the ice, or when storing skates, a blade guard helps protect the blades from unnecessary contact with hard surfaces. The plastic strap ensures a secure fit, which is especially convenient during club activities or with regular use. For players and parents who value clean and functional equipment, this is a simple, practical solution for everyday use.

It's important that the blade guard fits the shape and length of the women's skates being used.
