Accessory size: 137 cm

PROTEX 436 SR suspenders, 137 cm long, keep a goalkeeper's gear organized, ensuring that pants stay securely in place even during vigorous movement. Especially during practice and games—when diving low, shifting sideways, and getting back up quickly—a well-adjusted fit is a crucial part of your gear.

- Product Type: Suspenders for hockey pants

Product information

- Accessory size: 137 cm
- Intended use: Hockey, especially for goalies
- Fit: Designed for the specified length

Suspenders of this type reduce the strain on the waistband and help position the pants more evenly against the body. This is particularly relevant for goalies and teams where equipment is used regularly and must remain securely in place during movement. The length of 137 cm is designed for a corresponding equipment configuration in the senior category.

For the best fit, the length should match the pants being worn and the desired waist height.
