Accessory size: SR

The CCM Performance SR Garter keeps hockey socks in place during practice and games. Especially during regular club activities, what matters most with accessories like these is ease of use and a secure fit, so that your gear stays in place even during quick changes of direction and frequent movements.

- Product Type: Garter for ice hockey socks
- Intended use: Training and games on the ice
- Function: Secures the socks to the equipment

Product information

- Size: SR
- Fit: Designed for senior sizes
- Brand: CCM

A sock strap like the CCM Performance in size SR is a piece of equipment that you often only notice when it's missing. For senior players during practice or games, it helps keep the socks securely in place and ensures a consistent fit on the leg. This is especially important when the equipment needs to perform reliably over multiple sessions and you want to avoid any unnecessary hassle when putting it on.

The SR size should match the rest of your senior equipment.
