INTERHOCKEY REPLACEMENT BOARD FOR MAPPE is a replacement board for a Mappe and is primarily intended for coaches, trainers, and clubs that want to easily maintain their existing equipment. If a board needs to be replaced during regular training or games, a matching replacement part ensures that the folder is quickly ready for use again.

- Product Type: Replacement board for folder
- Application: Coaching, training, and game organization in hockey
- Function: Replacement of an existing board
- Compatibility: Fits the corresponding folder
- Package Contents: 1 replacement board

Product information

Especially in day-to-day club operations, it's important to have equipment that can be replaced easily when needed. A single replacement board is useful if you want to continue using an existing folder instead of replacing the entire set. This saves organizational effort and keeps the equipment ready for use wherever tactics, line changes, or quick discussions need to be jotted down.

Before making your selection, briefly check whether the shape and design match your existing folder.
