Product information

- Package Contents: One or more sprays, depending on the package

In hockey, in particular, rituals, light-hearted banter, and relaxed moments are often just as much a part of the experience—alongside training and games—as the equipment itself. That's why these sprays are a perfect fit for teams that enjoy sharing a laugh together even off the ice or the rink floor. For clubs, coaches, or teammates looking for a funny little gift for Secret Santa, end-of-season celebrations, or birthdays, this item is a clear choice: simple, straightforward, and hassle-free.

Before making your selection, it's worth taking a quick look at the quantity offered, as the available information doesn't provide any more specific details.
