COOL GAMES SHOE LACES 330 CM WAXED is a long, waxed pair of shoelaces for hockey shoes and other athletic shoes that require a secure fit and neat lacing. The black version has a subtle look and pairs well with dark shoes or team uniforms.

Product information

- Product Type: Waxed Shoelaces
- Length: 330 cm
- Color: black
- Features: waxed surface for controlled lacing
- Applications: Hockey, practice, and games
- Benefits: Ensures a secure fit across multiple rows of eyelets

In hockey, in particular, it's important to have a shoe that stays securely in place during takeoffs, sharp changes of direction, and throughout the entire game. Waxed laces can generally be tied more precisely than simple, untreated laces and often maintain the selected tension more consistently. This is particularly beneficial for club players, youth players, and teams whose shoes are used regularly in practice and on game days.

At 330 cm, this length is particularly suitable for taller shoes or those that need to be laced high. Before replacing your laces, briefly check whether the current lace length fits the construction of your shoes.
