Product information

Textile size-1: YT

Textile size: S

The AYCANE WRIST / NECK GUARD SHIRT BNQ LS YOUTH is a long-sleeve shirt for young hockey players that specifically integrates neck and wrist protection into the uniform. Especially during everyday training and games, when undergarments need to fit snugly and not interfere with other protective gear, a comfortable, sport-oriented fit is essential.

- Product Type: Long-sleeve shirt with wrist and neck guard features
- Intended use: Hockey training and games
- Age group: Youth
- Fit: Close-fitting, designed to be worn under protective gear
- Protection Areas: Neck and wrists
- Color: black
- Size: YT / S

In youth sports, it's often important for individual pieces of equipment to work together seamlessly. That's exactly where this shirt comes in: It combines the typical functionality of a base layer with additional coverage in two sensitive areas, without making the setup unnecessarily complicated. This can be just as helpful for parents when putting together a gear setup as it is for young players in regular club activities, when they don't want to spend a lot of time searching for individual pieces before hitting the ice.

The size designation YT / S should match the rest of the youth gear and the intended layer beneath the protective gear.
