Product information

Pocket volume: 135l

Bag color: black/yellow

The FISCHER BACKPACK SR is a large hockey bag designed for regular use between the locker room, practice, and game day. With a volume of 135 liters, this black-and-yellow model offers plenty of space for extensive gear, making it particularly well-suited for senior players, coaches, or teams that need to transport equipment together.

- Product Type: Hockey Bag / Backpack
- Volume: 135 L
- Dimensions: 46 x 46 x 64 cm
- Size: SR
- Color: black/yellow
- IntendedUse: Transporting hockey equipment for practice and games

Especially in everyday club life, a generous packing capacity is often crucial. When pads, gloves, helmets, clothing, and other accessories all need to be carried together, the large volume helps keep the equipment neatly organized in a single bag. The SR model is designed to meet the needs of adult players, who typically have more gear than youth players. The clear dimensions also make it easy to assess how the bag will fit in a trunk, a locker room, or a equipment room.

Anyone looking for a spacious solution for a full set of hockey gear should compare the dimensions of 46 x 46 x 64 cm with their available storage space and typical transportation route.
