Pocket volume: 405l

Bag color: black/yellow

The FISCHER WHEELBAG SR is a large goalie bag on wheels designed for everyday hockey use with plenty of gear. Available in black and yellow and measuring 43 inches in length, it's clearly designed for senior goalies who regularly need to transport a large amount of gear between the locker room, their car, and the ice.

Product information

- Product Type: Goalie Wheelbag with Wheels
- IntendedUse: Transporting goalie equipment for hockey
- Size: 43 inches
- Volume: 405 l
- Age group: SR
- Color: black/yellow

Especially when it comes to a full set of goalie gear, space and ease of transport are key. The large 405-liter capacity provides ample room for pads, pants, chest protectors, glove and stick hand protection, as well as clothing and accessories. The wheeled design is well-suited to typical scenarios at the club or in the arena, where the bag is rolled over longer distances rather than carried. The 43-inch version clearly positions this model in the senior category and is suitable for goalies whose equipment takes up significantly more space than a standard player's setup.

Before making a selection, it's worth taking a quick look at the scope of your own goalie equipment to ensure that the size and packing capacity match your personal gear.
