A zip hoodie is especially practical for club players and teams because it can be quickly pulled over performance gear and just as easily unzipped when it gets warmer in the arena. The gray version has a understated look and fits well into everyday athletic life—from training and game days to team outings. The HC HUSKYS design clearly identifies the hoodie as part of the club's identity and makes it a cohesive part of off-ice attire.

When choosing a size, the desired fit is key for the senior range. This hoodie is available in SR and size S.
