GUARD DOG HOCKEY BLADE GUARDS WITH PLASTIC STRAPS are a practical addition to your hockey gear for the walk from the locker room to the ice. The blade guard protects the blade from unnecessary contact with hard surfaces when you're off the ice and attaches easily and securely to the skate thanks to the plastic strap. Available in size #6 and in red with neon orange, it fits right in with everyday training and club activities.

- Product Type: Blade guards for hockey skates
- Closure: with plastic strap

Product information

- Intended use: Protecting the blades off the ice
- Variant: #6
- Color: red, neon orange
- Accessory color: red, neon orange

A reliable skate guard is an essential piece of equipment, especially for regular training, at hockey schools, or in club settings. This model keeps the blades covered when walking through the locker room, hallway, or entrance area and can be quickly put on and taken off while changing at the rink. The plastic strap is a simple, tried-and-true solution that works seamlessly in everyday use.

It's important to match the size to the length of your skates or blades; the #6 designation helps you choose the right size.
