COOL GAMES SHOE LACE CLIP 213 CM WAXED is a waxed shoe lace clip designed for everyday hockey use, where a secure hold and neat lacing are essential. The blue version is particularly well-suited for players and teams who want to reliably lace their skates during practice and around game time.

- Product Type: Waxed lacing cord
- Length: 213 cm
- Applications: Ice skates and hockey skates with the appropriate lace pattern

Product information

- Functionality: The waxed surface ensures a secure fit when lacing
- Color: blue
- Color options: Also available in yellow, green, orange, pink, red, black, and white
- Package contents: 1 pair of lacing loops

The difference compared to simple laces becomes apparent quickly, especially in club settings: The waxed version provides a firmer grip when lacing, allowing individual areas of the shoe to be tightened more precisely. This is helpful when there's little time before practice or when you need the lacing to stay secure consistently between the locker room, the ice, and the bench. At 213 cm, this length is suitable for skates that require a longer lace.

To make the right choice, it's worth taking a quick look at the lace length you've been using on your skates so far.
