Product information

The FISCHER BACKPACK JR is a backpack designed for young hockey players who need a handy bag to organize their training, school, and club activities. Its compact design makes it a great fit for younger players who need a clear and organized way to store their equipment and a change of clothes.

- Product Type: Junior backpack for hockey and training
- Intended use: Traveling to the rink, practice, and daily club activities
- Dimensions: 41 x 41 x 53 cm
- Age group: Junior
- Color: blue/white, black/yellow, or black/red
- Transport Benefits: Compact design for neatly carrying essential gear

Especially for juniors, a backpack is often more practical than a large team bag. Shoes, clothing, and smaller pieces of gear are easier to keep together, and carrying it from the car to the locker room or while riding a bike remains pleasantly straightforward. The size of the FISCHER BACKPACK JR strikes a good balance between everyday use and sports without being unnecessarily bulky.

For parents and young players, the compact dimensions of 41 x 41 x 53 cm are a particularly helpful guide when looking for a bag suitable for juniors.
