Product information

- Length: 27.4 m per roll
- Color: transparent
- Dimensions: 1 inch x 30 yd for the 2.54-cm version

In hockey, simple solutions that work without much effort are often needed. That's exactly why this clear tape fits perfectly in the equipment bags of players, coaches, and teams. The transparent version is ideal for any situation where markings, surfaces, or labels need to remain visible. With 27.4 meters per roll, there's plenty of material for regular use—whether in the locker room, on the bench, or during practice.

The right width is key to making the right choice: 2.54 cm for narrower applications, 3.8 cm for wider coverage in a single application.
