In hockey, in particular, you need clothing that's practical and easy to wear off the ice or in the gym. The fabric blend combines the natural feel of cotton with the low-maintenance properties of polyester. This makes the hoodie ideal for regular trips to practice, cooler moments before a session, or afterward in the locker room. The kangaroo pocket provides space for small items or keeps your hands warm, while the hood complements the casual, sporty style.

With a wide range of sizes from XS to XXXL, this model is well-suited for individual players, teams, and clubs. To ensure a good fit, simply compare it to the size of hoodies you usually wear.
