Stock type: Pair

The CCM SPEEDBLADE XS1 BLACK blade is a replacement blade for everyday hockey play, when a smooth transition and a clearly defined blade length are required on the ice. In the +2 version with a 215 mm blade length, this pair is primarily designed for players who train and play regularly and who tailor their equipment to fit their blade holder and personal skating style.

- Product Type: Replacement blade for ice hockey skates
- System: SpeedBlade XS1

Product information

- Variant: black +2
- Length: 215 mm
- Color: Black
- Packaging: Pair
- IntendedUse: Training and playing on the ice
- Package contents: 1 pair of blades

Especially if you're on the ice frequently or keep a spare pair in your bag, having a suitable pair of blades makes a significant difference. The 215-mm version is designed for skates with the appropriate mounting system and is ideal for players who don't want to wait long in case of wear, sharpening, or damage. The "+2" designation is important for ensuring compatibility with your desired setup.

Before purchasing, briefly check the length and compatibility with your existing mount.
