2 in stock

TRUE ZUNGE STANDARD is a replacement or exchange side panel for hockey skates and is designed for players and clubs who want to replace specific worn-out or damaged parts of their skates instead of replacing the entire skate. The black version blends in discreetly with many skate setups and restores the equipment to a clean, ready-to-use condition.

- Product Type: Standard tongue for hockey skates
- Brand: TRUE
- Version: Standard
- Color: black
- Size: 3

Product information

- Compatibility: For compatible TRUE skates or shoe sizes
- Package Contents: 1 pair

Especially with skates that are used regularly, the tongue goes through a lot in everyday use: lacing pressure, movement in the forefoot, and repeatedly putting the skates on and taking them off all take their toll over time. A standard tongue like this is a good choice if you want to maintain the original fit and the familiar feel of the skate. For club players, youth programs, and teams with ongoing equipment maintenance, this is a practical solution for continuing to use existing skates properly.

It's important to ensure the right fit for your skate model and size. Size 3 should fit your existing TRUE skate.
