BLUE SPORTS BATHING SHOES are a practical addition to your wardrobe, shower routine, and everyday life at the arena. In hockey, in particular, wet floors and short walks off the playing field are part of the game. The BS 4-5 shower shoe model is designed precisely for this kind of casual use and complements your gear perfectly, whether you're on the ice or in the arena.

- Product Type: Bathing shoes for the shower, locker room, and leisure activities related to sports

Product information

- Sizes: Skate Size 4-5, 6-7, 8-9, 10-11, 12-13
- Model: BS 4-5

For youth players, club players, and teams, these shoes are especially useful when quickly moving between the ice, the locker room, and the shower. This simple, open-toe design is easy to maintain for everyday use and fits neatly into a sports bag without taking up much space alongside the rest of your gear. The black color keeps the look understated and unobtrusive, which is often particularly practical in a club setting.

When selecting a pair, it's worth checking the listed skate size to ensure it matches your usual sizing.
