The TRUE TRUE JACKET WARM UP SR is a practice jacket designed for everyday hockey activities outside of actual games. Especially before practice, on the way to the arena, or during cooler breaks between games, it's important to have clothing that fits comfortably and looks sharp in a team setting. The black version has a simple, understated look and pairs well with club and practice gear.

Product information

- Product Type: Warm-up jacket for hockey and training
- Intended use: Before practice, during breaks, and around game day activities
- Age group: SR
- Color: black
- Sizes: S, M, L, XL, XXL
- Fit: Designed for seniors

In club settings, a jacket like this is particularly useful when you don't want to have to completely change clothes every time you move between the locker room, the warm-up area, and the bench. It complements your gear when you need a little extra warmth without losing the clean, athletic look of hockey training apparel. For club players and teams, this is especially practical when a uniform look is desired during training or matches.

When selecting a size, check the corresponding size in the adult range to ensure the jacket fits comfortably over your usual training gear.
