The FANATICS BREAKAWAY JERSEY PITTSBURGH PENGUINS HOME is an ice hockey fan jersey for everyone who follows the game closely and wants to clearly show their team spirit even off the ice. The home version in black, yellow, and white is inspired by the game-day look and combines it with a slightly more tailored fit and mesh panels for greater comfort.

- Product Type: Ice Hockey Fan Jersey
- Team: Pittsburgh Penguins
- Version: Home
- Fit: more fitted than classic loose-fitting fan jerseys
- Ventilation: Mesh inserts
- Color: black/yellow/white
- Size: SR in S, M, L, and XL

Especially for longtime NHL fans who don't just collect jerseys but wear them on game nights, at the arena, or around the club, this cut makes a noticeable difference in everyday wear. The jersey fits slightly closer to the body than a very loose-fitting style, making it comfortable to wear even for extended periods. The mesh panels promote air circulation, which is especially welcome during intense games, in packed arenas, or on long hockey nights.

When making your selection, it's worth considering the desired fit, especially if the jersey will be worn over a hoodie or other clothing.
