Product information

- Style: short
- Color: white
- Uses: Training, games, and school sports

Especially for young players, it's often important that equipment is quickly accessible and works reliably during training. Short hockey socks are a practical choice when a compact solution is needed. They integrate well with the rest of the hockey gear and are suitable for regular sessions indoors or on the field. For parents and clubs, the simple, straightforward design is also helpful when multiple items are in use and the gear needs to stay organized.

When making your selection, take a quick look at the desired length and the appropriate junior size to ensure it matches the rest of the team or game gear.
