Product information

Textile size-1: SR

The AYCANE WRIST / NECK GUARD SHIRT BNQ LS WOMAN is a long-sleeved women's shirt designed for hockey play, where additional protection around the wrists and neck is required. Especially during regular practice and games, it's important to have gear that fits snugly and works well under other protective equipment. The black version in size SR is designed for adult female players.

- Product Type: Long-sleeved wrist and neck guard shirt for women
- Protection areas: wrists and neck
- Intended use: Hockey, training, and games
- Fit: Women's
- Color: black
- Size: SR, XS

A shirt like this is especially useful when you need to keep your gear compact and ensure that sensitive areas remain covered. The long-sleeved design provides a snug fit without making the setup unnecessarily complicated. This is particularly practical for club players and ambitious young players transitioning to senior sizes, especially when multiple pieces of gear need to work together seamlessly.

The key factors for selection are the senior size SR and the specific garment size XS, ensuring the shirt fits snugly against the body.
