Product information

Textile size-1: SR

BONDERKAGE BONDERKAGE ELITE PANTS/CUP SR are designed for everyday hockey use during practice and games, when mobility, a dry feel, and a secure fit are essential under your gear. The Groß size is designed for adults who prioritize functional base layers with a performance-oriented fit during intense training sessions.

- Product Type: Hockey Pants with Cup
- Technology: Hydrocloth for a drier feel during physical activity
- Material: 4-way stretch with bamboo fiber
- Mobility: flexible and breathable for dynamic movements
- Hygiene features: Antimicrobial treatment with odor-inhibiting effect
- Fit: Sock tabs with Velcro fasteners for a secure fit
- Size: SR, available in S through XXL

The combination of elastic material and moisture-wicking construction really makes a difference, especially during repeated sprints, changes of direction, and long periods on the ice. The pants stay close to the body without unnecessarily restricting movement, ensuring a comfortable fit under the rest of the protective gear. The sock tabs with Velcro help keep the setup securely in place during gameplay.

When selecting a size, it's worth quickly comparing the SR size chart with your desired clothing size from S to XXL.
