TRUE TRUE HOSE PERFORMANCE JR are training pants designed for everyday youth hockey, when freedom of movement and comfort are essential—whether on the ice, off the ice, or in the gym. The athletic fit hugs the body without adding unnecessary bulk during dynamic movements. The 100% polyester fleece, weighing 280 g/m², provides some warmth and dries quickly after intense training sessions.

Especially during regular club training, it's important to have clothing that works without any fuss. The slightly thicker fleece feels soft and is well-suited for warm-ups, travel, or breaks between sessions. The elastic waistband with drawstring helps ensure a secure fit, keeping the pants in place even during quick movements. In black, they offer a understated yet athletic look in team and training settings.

When selecting a size, be sure to check the desired junior sizes from S to XL to ensure the athletic fit is neither too tight nor too loose.
