Product information

The EXEL GOALIE JERSEY G MAX is a floorball goalie jersey designed to meet the demands of regular practice and games. Especially for the goalie position, it's important to have gear that matches the rest of your protective equipment and doesn't unnecessarily restrict your movements. Available in black/night purple, this model combines the functionality of a jersey with additional padding in the shoulder area.

- Product Type: Floorball goalie jersey
- Protection: Padding on the shoulders for additional coverage
- Equipment concept: matches goalkeeper pants and helmet
- Color: black/night purple
- Sizes: S, M, L, XL, XXL
- Variants: Available in a total of 4 color combinations
- Special feature of certain color combinations: Black/Neon Peach with lightly padded arms

For club players and ambitious goalies, coordinating their gear is especially important. The shoulder padding provides a bit more coverage in an area that's constantly under pressure during goalkeeping, without compromising the jersey's style. The fact that this model matches the pants and helmet makes it easier to put together a cohesive goalie outfit for indoor games and practice.

When choosing a size, it's worth considering how the jersey will pair with the rest of your goalie gear to ensure it fits neatly over your protective gear.
