EXEL GOALIE JERSEY ELITE WHITE is a floorball goalie jersey designed to meet the demands of both practice and games. Freedom of movement is especially important in goal for quick reactions, a low stance, and lateral shifts. The white version fits seamlessly into existing team uniforms and complements classic goalie gear.

Product information

- Color: white
- Sizes: XS, S, M, L, XL, XXL
- Fit: Designed for goalkeeper movements in the upper body

A goalkeeper jersey must fit well in everyday situations, especially when every movement needs to be precise under time pressure. The Elite version of this jersey is tailored for typical goalkeeping situations: Arms, shoulders, and the upper body should not be unnecessarily restricted during saves, lunges, and when getting back up after ground saves. This is particularly relevant for club players and teams looking for clear, functional gear for regular indoor games.

When choosing a size, it's worth considering the gear you'll be wearing underneath to ensure the jersey fits properly even over goalkeeper protective gear.
