Textile dye: red

EXEL PROTECTION SHIRTS ELITE BLACK is a protective shirt for floorball that combines extra coverage for the upper body with athletic freedom of movement. This type of shirt is particularly appealing to youth players and ambitious club players during intense training and games, when a snug fit and a comfortable, unobtrusive feel under their gear are essential. In this version, the shirt is available in red.

- Product Type: Floorball protective shirt
- Line: Elite

Product information

- Intended use: Training and games
- Color: red
- Sizes: 130, 140, 150, 160, XS, S, M, L, XL, XXL

In everyday hockey, a protective shirt must fit well—especially when quick changes of direction, stick work, and tight game situations come together. That's exactly when it matters that the extra layer of protection doesn't add unnecessary bulk and fits neatly under the rest of the gear. The Elite model is therefore particularly suited for players who train regularly and prioritize a clean, athletic design in their gear. Thanks to the wide range of sizes, this model is also well-suited for youth players.

When selecting a size, it's worth taking a close look at the desired size to ensure the shirt fits snugly and sits well under the rest of the gear.
