Product information

Textile dye: white

EXEL EXEL SOCKEN SMOOTH WHITE are simple sports socks designed for hockey, training, and regular indoor use. In white, they're a great fit for everyday club life when you're looking for a no-fuss sock that sits snugly under your uniform and doesn't distract you while you're moving.

- Product Type: Sports Socks
- IntendedUse: Hockey, indoor sports, and training
- Model: Smooth
- Color: white
- Sizes: 35-38, 39-42, 43-46
- Fit: Size-specific selection for a snug fit in the shoe

In hockey in particular, a well-fitting sock in the shoe makes a noticeable difference, because quick changes of direction, stops, and sprints involve a lot of movement. The Smooth model is therefore primarily aimed at club players and youth players who prefer a clear, uncomplicated choice of gear for training and games. The white version is also an obvious choice for teams or regular indoor sports use when a uniform and understated look is desired.

The appropriate size range helps ensure the right fit, so the sock sits snugly in the shoe and is comfortable to wear during everyday hockey play.
