Product information

Textile dye: black/peach

The EXEL GOALIE JERSEY G MAX is a goalkeeper jersey for floorball goalies who value coordinated gear during practice and games. The black version with peach-colored details matches the pants and helmet and features additional protection on the shoulders. In black/peach, the sleeves also offer light protection, providing noticeably more coverage during intense movements in goal.

- Product Type: Floorball goalkeeper jersey
- Protection: Padding on the shoulders
- Additional protection: in black/peach with lightly padded sleeves
- Combination: matches goalkeeper pants and helmet
- Color: black/peach
- Size: XS, S, M, L, XL, XXL

For club players and regular goalies in particular, it's not just agility that matters in goal—it's also having gear that fits perfectly during lateral movements, knee work, and quick arm movements. The shoulder padding complements the jersey in areas where additional protection is often needed in goal. The lightly padded sleeves in this color combination provide the upper body with a little more coverage without altering the character of a goalie jersey.

When choosing a size, it's worth considering how the jersey will pair with your pants and upper-body protection to ensure it fits neatly over or with them.
